Seventh-day Adventists Believe....

There is only one God—Father, Son, and Holy Spirit—a unity of three co-eternal Persons— immortal, omnipotent, omniscient, omnipresent, and worthy of worship, adoration, and service by the whole creation.

God the eternal Father is the Creator, Sustainer and Sovereign of all creation. He is just, merciful, gracious, and abounds in steadfast love.

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, in Him the character of God is revealed, and by His death on the Cross the salvation of humanity is accomplished and mediated through His high-priestly ministry.

God the eternal Spirit was active in creation and redemption. He inspired the writers of Scripture, draws and convicts human beings and is sent by the Father and the Son to be always with His children.

The Holy Scriptures contained in the Old and New Testaments of the Bible are the written Word of God, given by divine inspiration. In this divine speech is the knowledge necessary for salvation, the standard of character, the test of experience, and the authoritative revealer of doctrines. They record God's acts in history.

Salvation is provided for all who accept Jesus Christ as their personal Savior. Through Him humans are justified, receive adoption, become partakers of the divine nature, and enjoy the assurance of salvation now.

The principles of God's law are embodied in the Ten Commandments and exemplified in the life of Christ. While salvation is all of grace and not of works, obedience to the law of God demonstrates our love for Him and concern for our fellow human beings.

The church is the people of God. It is formed by those in whose hearts the living Christ dwells through the Spirit, and who are committed to continuing His work on earth and exhibiting His life in their conduct.

The Sabbath of the fourth commandment is a memorial of creation and a symbol of redemption in Christ. Its observance on the seventh day is a sign of our sanctification, a token of our allegiance to Christ, and a foretaste of our eternal future in God's kingdom.

The wages of sin is death. But God, who alone is immortal, will grant eternal life to the redeemed at the Second Coming of Jesus. Until that day death is an unconscious state for all people.

The second coming of Christ is the blessed hope of the Church and will be literal, personal, visible and worldwide.
